

GARDENSCAPES LANDSCAPE CENTRE CAPABILITY STATEMENT

WHO WE ARE

Gardenscapes Landscape Centre has been **Delivering Lifestyle Solutions** to the Trade and Retail sector for over 4 years. Our diverse range of landscape, construction and nursery products means we can service most trade sectors including Bricklayers, Landscapers and Fencing, Builders and Construction Companies, Plumbers, Civil Contractors and Renderers.

We believe in not just *'dealing'* with customers, but building a supplier/customer relationship to better understand client's needs and deliver specific solutions for their business.

WHAT WE DO

Gardenscapes supplies product to numerous projects in South East QLD and deal with the full spectrum of clients; large, multi-arm organizations, government bodies right through to residential customers.

We maintain a high level of customer satisfaction and on-going business by

- Immaculately maintaining a fleet of small and large delivery vehicles (including Truck & Dog)
- Employing experienced, knowledgeable, amiable staff with a 'customer-first' philosophy
- Being compliant with current OH&S procedures
- Implementing environmentally sympathetic strategies
- Stocking and sourcing quality products that meet or exceed Australian Standards
- Utilizing Field Representatives to assess site requirements and foster customer relationships
- Incorporating Logistic planning to ensure you get your delivery ON TIME.

WHAT MAKES US DIFFERENT?

Gardenscapes offer a "4 Tick Guarantee"

- √ **Quality**
- √ **Quantity**
